

Air Associates can modify and amend our agreement at any time. Our current agreement will always be located on our website and you will be notified via e-mail to any changes made to the agreement.

Please review a list of some changes and updates we have made to the current rental agreement.

- Customer agrees to pay the posted and prevailing rates including, but not limited to, landing fees.
- Air Associates will reimburse for offsite fuel up to our current posted price. All prices are subject to change at Air Associates sole discretion. Current fuel prices are posted in the
Air Associates lobby and on our website.
- Any fees assessed in regards to the aircraft having to be left at another airport due to weather or mechanical delay will be the customer's responsibility.
- The daily minimum for aircraft rentals will be published on Air Associates website.
- Instruction by non-authorized instructors is not allowed and will void the insurance provided by Air Associates.
- Cancellations made 4 hours or less before the scheduled time will be charged a penalty equal to the time reserved for the aircraft, and in accordance with our rental minimums.
- No shows will be charged a penalty equal to the time of the reserved for the aircraft, and in accordance with our rental minimums.
- Information on Air Associates aircraft insurance will be posted on the Air Associates website.
- All First Flights will need to be paid for in advance before the flight can be scheduled.
- All scheduling needs are to be done online through our online scheduling system "Flight Schedule Pro",
<https://app.flightschedulepro.com/Account/Login?Company=62577>, or by calling the front desk during normal business hours and someone can help you with your scheduling needs. Please notify the front desk if you need a new online login to Flight Schedule Pro.
- Please do not call your instructor to schedule or cancel a reservation.
